Apple will share its secret iPhone screen-repair machines  
2019/07/03

Until recently those microwave-sized machines have largely been a secret. They've been primarily located in Apple retail stores around the world and in a handful of third-party repair centers. But with repair wait times growing at some of its busiest retail stores, Reuters reports that Apple will supply about 400 authorized third-party repair centers in 25 countries with Horizon Machines by year's end. That figure represents about 8 percent of Apple's 4,800 authorized service providers worldwide.
